

Tasted 100% Blind by Andreas Larsson

94/100

Dark, inky and intense colour. Pure and stony nose with intense dark fruit, blackberry, cassis, raw meat, garrigue and floral hints, just a slight touch of oak noticeable. The palate has high concentration without heaviness, finely grained tannin, dense dark fruit with a gentle hint of oak and sweet spices. Very long and layered finish. Certainly a big wine with great potential.
